ABOUT US

Kss Hire Services Ltd have been trading for over 40 years, we provide a full range of building and construction plant and tool hire from a cordless drill to a 13 ton digger or dumper for both the trade and general public.

Our ever-expanding ground care division has equipment ranging from small hedge cutters and rotavators to trenchers and tracked chippers capable of taking 8" diameter trunks. We cover most parts of the South East and all of Essex including Basildon, Benfleet, Billericay, Brentwood, Canvey, Chelmsford, Grays, Maldon, Orsett, Rayleigh, Rochford, Romford, Southend, Thurrock, Wickford and Woodham Ferrers.

With fully equipped workshops and highly skilled fitters, we maintain our equipment to the highest level ensuring that all current legislation with regard to the testing of machines is complied with and that any equipment hired to the customer is in first-class condition.

We can also service and repair your own equipment. We are members of the Hire Association Europe who are committed to 'Raising The Standard' and in that respect, we try to achieve the same.

All hires are covered by their standard terms and conditions, a copy of which is available upon request.

Customer Review

"I recently hired a brush cutter which was easily booked online. Delivery and collection were very prompt. The driver was great and so was Steve who handled my hire. I will definitely be using the company again. A very friendly and professional service and I would highly recommend the company. Many thanks"
